

## REFUND POLICY FOR CLASS & ON-LINE COURSE:

We will issue a refund prior to one week of the start of your class if your child needs to cancel.

We will refund you the full amount you paid **minus** the fees charged for processing and handling. This would be a \$50 charge.

No refunds will be issued within one week prior to the class they have signed up for. In other words if the class time starts with only one week away or sooner, no refunds will be issued. You may elect to switch to a later class within our program w/o charge at that time if you wish.

On-Line Courses start at the time of us sending out the instructions via email for said course.
